accessories for pneumatic actuator Ajac

AT 3818

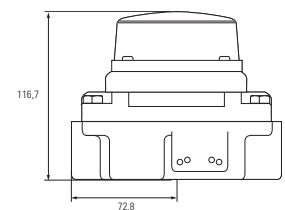

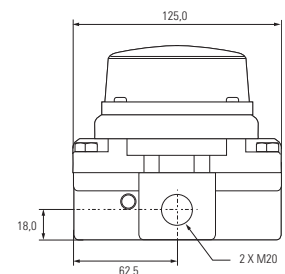

Article number	R S K	Performance	Accessories to pneumatic actuators
	F		F,R
3818TXP N-EX		Pneumatic single acting;Pneumatic double acting	Limit switch box ATEX classed
3818ACT		Pneumatic single acting;Pneumatic double acting	Limit switch boxes

Ex-rated limit switch unit for indication of open/closed position of the actuator which follows the standard VDE/VDI 3845 (Namur) eg through mechanical potential free contacts.
The unit consists of nested switches with visual display mounted on the top of the actuator.

Technical information

	AT3818
Material	Aluminum
EX class	ATEX/IECEX II2GD Ex d IIC; Ex A21
Surface coating	Epoxi
Protection	IP67
Cable gland	M20x1,5
Ambient temperature	-50°C to + 80°C
Switch SPDT	2 x NO/NC
Voltage max	120V AC/DC
Visual indicator	90° Green/Red
